Important information

- The listed transportation companies **do not belong to Hospital Sírio-Libanês**, being third-party providers of this kind of service.
- Hospital Sírio-Libanês is **not responsible for personal belongings left in the vehicles** (such as cell phones, bags, or other items).
- Vans operate according to pre-scheduled departure times. The hospital **has no control or autonomy over these schedules** and is not responsible for delays caused by external factors, such as traffic accidents, road conditions, or other unforeseen circumstances.
- Hospital Sírio-Libanês **is not liable for any medical expenses** resulting from traffic accidents involving partner transportation companies. Such expenses must be covered by the transportation companies themselves, which carry insurance for passengers.
